TIRES THAT LEAK.

The Morgan & Wright single-tube quick-repair tire must be regarded as a distinct improvement in bicycle tire construction. It has the following advantages:

While punctures in it can be repaired with plugs, or semi-liquid injections, as well as in any other single-tube tire, it can be permanently repaired by using the quick-repair strip inside the tire. See cut No. 1.

No. 1.

By injecting M. & W. quick-repair cement through the puncture, and then pressing down on the tire with the thumb, as in cut No. 2, the repair

No. 2.

strip inside is picked up by the cement, thus closing the puncture, as in cut No. 3.

The Morgan & Wright single-tube quick-repair tire is guaranteed not porous. This is on account of the way in which it is made. Nearly every rider has heard of tires that "leak like a sieve."

Many tires rot, because water gets into the fabric between the two layers of rubber. The Morgan & Wright fabric is proof against moisture.

Everybody knows how comfortable Morgan & Wright tires are, and yet how seldom they puncture. This is due to the fabric.

Ask any bicycle dealer whether other tires last as long as Morgan & Wright tires. Ask, also, what the Morgan & Wright guarantee means. Morgan & Wright tires are repaired free of charge, at the factory in Chicago or at any of the Morgan & Wright free repair shops, located in the principal cities.

N. B.—When you have a puncture, get right off. Riding a tire flat, when it has a tack or nail in it, may damage it considerably.

Gave Back
My Health.

There is no reason for being despondent and considering diseases of the blood incurable, simply because the treatment of physicians and many so-called blood remedies fail to effect a cure. Though it is naturally disheartening to the sufferer who faithfully takes the prescribed treatment of the physicians, often at the expense of hundreds of dollars, to find himself, no better as time goes by, still a cure will result from the right remedy, S.S.S., no matter what other treatment has failed.

The reason that S.S.S. (Swift's Specific) has so successfully cured even the worst cases after other treatment had been tried in vain is that it is the only remedy which forces the poison from the blood and permanently eliminates it from the system, which is the only correct principle of curing the disease. Mercurial remedies bottle up the poison and tear down the system, while S.S.S. forces out the poison and builds up and adds strength and vigor to the entire system. It is nature's remedy, and contains no harmful ingredient.

Mr. Charles Glenn, of 1563 Dudley St., Cincinnati, is one of the many who constantly praise S.S.S. for giving him back his health. He says:

"From childhood I was afflicted with a terrible blood disease, and have taken almost every blood remedy on the market, but my case was deep-seated, and one by one they failed. The large, red blotches increased in size and number, and soon covered my entire body."

"My parents had me treated by a number of physicians, but the disease was too much for them, and after their temporary relief was over, I found myself growing steadily worse. Thus I grew into manhood, handicapped by a terrible disease, and having tried so many remedies without relief, when a friend urged me to take S.S.S. I had little faith in any medicine. I was happy to find, however, that I had at last gotten the right remedy, for one bottle of S.S.S. did me so much good that I soon had hopes of being cured. I continued the remedy, and was cured completely, the unsightly spots soon disappeared, leaving my skin perfectly clear. My general health was also built up, and I am robust and strong. I believe S.S.S. will cure the worst case of blood poison in the world."

S.S.S. is a real blood remedy, and will cure the most obstinate cases of Cancer, Eczema, Catarrh, Scrofula, Rheumatism, Contagious Blood Poison, old sores, or any disease caused by impure blood. It is

Purely Vegetable

and is the only blood remedy guaranteed to contain not a particle of mercury, potash, arsenic or other mineral. S.S.S. is sold by all druggists.

Valuable books on blood and skin diseases will be mailed free by Swift Specific Company, Atlanta, Ga.

BANTAM IN THE ARMY

ONLY ROOSTER IN GEORGIA THAT HAS
A TOMBSTONE OVER HIS GRAVE.

Enlisting at Culpeper, Va., He Served
Under Major Williams in Many Battles.
A Sentinel in a Tree—How He Betrayed
Jim Nessmith.

"While we were camped near Culpeper Court House in the fall of 1862," said Major Tom Williams, "I became acquainted with a family named Dowdy. Just before the battle of Culpeper I paid a visit to the farm and found the ladies in a panic, preparing to flee. They set before me such scant fare as they had left, and after I had eaten a hasty luncheon Miss Mary Dowdy called to me and led the way to the back yard.

"There is the last of our stock of poultry," said she, pointing to a little bantam cock that was strutting about the yard. 'I haven't the heart to kill him because he is a pet. If you want him, you can take him and do as you like with him.'

"During the campaign of 1863 he often sat on my shoulder through the long, weary marches and hurried retreats, and I shared my rations with him. One night we had reached the flank of the enemy's camp by a forced march and lay down to sleep on our arms, expecting to be roused at the break of day for a sudden charge. I had started off with General perched upon my musket barrel, and a sudden change in the order of march had separated us from the wagons, so I placed the rooster on the limb of a sapling above my head, while I lay down to snatch a few minutes' sleep.

"General did not utter a single cluck in protest, although he must have been very hungry from long fasting, but quietly squatted on the branch while I flung myself on the grass and leaves and was soon fast asleep. I was so weary that I slept profoundly until I was suddenly aroused by an unearthly screech in my ear. Raising my head, I took in the whole situation at a glance.

"General had dropped down from his perch and uttered a shrill crow right in my ear which had awakened me, and as I opened my eyes I saw the flash of guns as our pickets fired and in an instant fell back upon us where we lay. The Yankees had turned the tables on us, and, discovering our presence, the surprising force became the surprised, and in ten minutes there was an unearthly racket going on in that pine thicket.

"Right and left of my position the boys came out of cover and advanced with yells and cheers, moving cautiously and firing as they moved. It had become sufficiently light for me to find my few belongings, and I soon recovered my hat and haversack, which I had forgotten to pick up in the hurry of the first surprise, and just at that time I was saluted with a loud crow just above my head, and looking up I saw General perched upon his limb, he having flown back there when the firing began, and with his head held on one side he was sidling along the swaying branch, crowing and clucking.

"In spite of the banging of the guns and the whistling of bullets General stuck bravely to his perch and never fluttered during the entire engagement. When I told the story in camp that night, General was the toast of the evening, and he was treated to all sorts of tidbits in recognition of his gallantry on the field of action.

"One morning, however, General played the camp detective in a most alarming manner, which came near proving disastrous to a fellow soldier of another mess. All foraging had been strictly forbidden, and no man was allowed to leave the ranks under the heaviest penalty of military discipline. There was a fellow by the name of Jim Nessmith, who occupied a tent not far from that of the captain of our company. About 4 o'clock the order was passed along the lines for us to prepare to march.

"General was perched on the limb of a bush near me while I sat munching my hard tack, and all of a sudden he raised himself on his perch and crowed lustily. Of course no cock in hearing could resist replying to such a challenge, and from within the tent occupied by Jim Nessmith came the muffled crow of an old rooster. Jim made a grab at the bag and succeeded in choking him off, but the noise had reached the ears of some of the others, and the captain became apprised of the fact that Jim had been foraging. A hasty examination of his tent disclosed the body of the big rooster, choked to death by Jim in his anxiety to put a stop to his untimely crowing.

"Jim was ordered under arrest pending an investigation, but just about that time the order came to advance, and we moved forward, and by sunrise we were fighting, and the unfortunate officer who had ordered Jim to be placed under arrest was borne from the field a corpse after the fight was over. The affair was forgotten amid the stirring scenes that followed.

"Seeing that the end was near, I found an opportunity to send General to the rear, and placing him in a cage started him on the long journey to the home of a nephew in Georgia. He had not been long on the farm before he began to pine and droop, and the family thought that he was disconsolate on account of being separated from his comrades. This might have been all fancy, but he lived only a short time, and when he died my nephew and the boys of the neighborhood gave him a regular military funeral.

"I suppose that his is the only grave of a rooster in Georgia. The tiny stones that mark his last resting place can be seen on the old homestead near Dalton today. On the headstone is rudely carved the name 'General,' with the date of his death and the names of some of the most important engagements through which he passed during our comradeship among the battlefields of Virginia."

Atlanta, Oct. New York Sun.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and seething pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you use a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet sent free by mail. Mention The Paris (Ky.) News and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer. (25p-1mo)
